# SWORN EVIDENCE.

The following Cure is probably the most remarkable ever effected by any medical preparation for the treatment of Catarrie:

Conformer. I havely cert y that I have had charrh for less years, and for the had, at years have been a terribe antierer. I was rendered partially deaf, had beauting to the head, pales across the temple. Clary specia, weak and painful type, swidlen and nicerally (unails, hard and constant county, excess pain arrows the chest, and every indicat on of consumption. My head ached at the time. The matter accumulated so tapidly in my head and threat that I could use seep them from Proquently at right 1 would apring out of led, it esemed to me, at the point of sufficiention. I would take have recourse to every measure in my power to dislocke the mores. from my head and threat before being able to sleep again. For a period of ex years my tonelle were blearasted and so much inflamed that I could with difficulty availor. I finally constitled at eminent surgeon is rigard to at operation of them, but at his request postponed it. The ustant inflammation and negration in my throat catteed by the poissoners matter dropping down from my head had so irritated and in-flamed my longs that I coughed increasily,—a drep, hard cough Meanwhile my system legan to show the effects of this disease, so that I lost to show the effects of this disease, so that I lost drain, grew pale, and showed every symptom of an early death by consumption. When matters ind reached this stage or about at months ago I began the use of Harroure Halloui Cran For Catanan. After using the first bottle I began to capture rapidly. The first dose seemed to clear my head as I had not known it to be for years. It seemed gradually to arrist the discharges. It seemed gradually to arrist the discharges it seemed my coupled in those days. By using it as a gargle I scon reduced the inflammation and cwelling of my tonsily, so that they soon cassed is trouble in evelling of my tonsits, so that they soon ceased is reactle into The services arrows my cheet drappeared, the binning noises in my bead ceased, my senseaof sering and of hearing were completely restored, and every symptom of di sease that had we need me to the verge of the grave disappeared by the use of Sanroun's Bab-leat Cram rom Carsans. I have been thus explicit because, as a drug-gist. I have seen a great deal of auffering from Datarrib, and hope to convince many that this is great remedy.

I am tamiliar with the treatment of Catarrh as racticed by the best physicians, and have con field the most emment about my case. I have ord every kind of remely and apparatus that Boston, Pab. 23, 1875. GEO. F. DINSMORE.
